To Our Crescent Lake Friends,

With the new year, the Crescent Lake Association Board would like to extend a sincere THANK YOU to all who have supported our Lake Association! The board hopes you will continue to support CLA through your annual dues. The amount has been reduced this year, and the form is being sent with this letter. It can also be found under "The Association" on our website: crescentlakewi.org.

*Please be sure to fill in your contact information on the membership form. We need to have your current email address, lake address, residence address, and telephone number(s) so we can notify you in time for upcoming meetings and events. (We will not be sending you numerous emails.)

Your dues this year will be targeted for social events and education about the lake. We will appreciate suggestions from you for speakers and topics in 2022. Your ideas can be emailed to crescentlakeassociation@gmail.com.

We look forward to the new changes this year with the Crescent Lake District taking over the management and costs of AIS remediation. If you would like to contact a Crescent Lake District Commissioner to ask any questions related to management of the lake, please contact the CLD at crescentlakedistrict@gmail.com. We also have a link on our website to connect with the District Commissioners.

Happy 2022 and stay safe and healthy!

Sincerely,
CLA Board
