

Hello Crescent Lake Friends:

I hope everyone had a healthy and happy winter. I have been getting questions as to when the fireworks will be on Crescent Lake this year. I don't know the answer for sure but I assume probably Saturday or Sunday, July 2 or 3. The board will make a decision on the final day and it also depends on what arrangement I can make with Spielbauer to get the fireworks delivered usually to Wausau and what the weather forecast for that weekend is.

I will need an enclosed trailer again to pick the fireworks up so if you have one or know someone that does let me know. I also wanted to let everyone know that due to supply shortages and increased costs, the cost of this year's display will be \$1000 more than last year so be generous with your donations. Since Sandy just sent out the dues notice I thought I should let everyone know about the increased cost.

Hope to see everyone on the lake having fun and of course I will need lots of help with setup and clean up again this year. Your help has been stupendous the last two years so I hope to get all that great volunteer help again this year. If you are willing to help, send me a note [lsmckitrick@charter.net](mailto:lsmckitrick@charter.net) and I will let you know the dates and times once they are confirmed.

Crescent Lake Fireworks Coordinator,

Larry McKitrick
