crescentlakeassociation@gmail.com

Thank you to our previous business partners for your contributions to the Crescent Lake Association. To our previous and future supporters, we would appreciate your consideration of making a contribution this year to the Crescent Lake Association.

Our website, www.crescentlakewi.org, is used to communicate with the approximately 260 members of the association. News of upcoming events on the lake and information on past meetings is available on the website. We also have a page to showcase the donors who support the Crescent Lake Association and to provide ad space for marketing their products and services. Our lake association is also considering creating placemats with our donor's ads for use on the tables at our member meetings.

This year, the donations received from partners like you help with:

- Opportunities to request speakers to talk about topics at our member meetings relevant to Crescent Lake such as Aquatic Invasive Species Prevention, Lake Management, Shoreline Preservation, Fish and Wildlife Habitat, etc.
- Lake Management Plan projects
- Periodic surveys of the lake habitat.

If you have contributed in the past and wish to continue your support, please review the current ad we have for your business. Please make any changes necessary and return to the Crescent Lake Association along with your contribution.

If you wish to become a new supporter of the Crescent Lake Association, please submit your ad for approval along with your contribution to the Crescent Lake Association.

The recommended contribution for ad space on our website is \$100 for 12 months of posting on the website. Your ad will be sized as appropriate but to more than 1/3 of a typical screen display.

We greatly appreciate your support of the Crescent Lake Association to help preserve, protect and improve the quality of Crescent Lake for generations to come.

Sincerely,

Donna Stone
